

Relax beneath the palm trees at Ningaloo Reef Resort

The Ningaloo Reef is 260 km long and is Australia's largest fringing coral reef. The reef is home to some 250 species of coral and 500 species of fish, offering endless marine experiences throughout the year. Our resort is the ideal accommodation option where you can relax and unwind, located less than a thirty second walk from the crystal-clear waters of the marine park in the seaside town of Coral Bay.

By Car:

Approx. 11 hours and 30 minutes from Perth (1,125 km)

By Plane:

Qantas departing Perth daily arriving into Learmonth (Exmouth). Charter bus to accommodation services provided for a per person fee. Flight duration approx. 2 hours

About the resort

Ningaloo Reef Resort offers the best located beachfront accommodation in Coral Bay and is the ideal place to unwind and experience Western Australia's very own tropical underwater playground.

The resort features a range of accommodation to cater for all tastes, from motel style rooms to apartments. Rooms include the comfort of air-conditioning and complimentary in-house movies. The resort facilities include swimming pool, bar, Shades Café, barbecues and tour desk. With warm weather throughout the year, Ningaloo Reef Resort in Coral Bay is the perfect gateway to explore this beautiful region.
